Honorable Wayne N. Aspinall  
Chairman, Committee on Interior  
and Insular Affairs  
House of Representatives  
Washington 25, D. C.

Dear Mr. Aspinall:

This is in reply to your letter of 8 June 1961, requesting a report on H.R. 7149, H.R. 7475, H.R. 7486 and H.R. 7489, proposals to enact the "Richard E. Byrd Antarctic Commission Act of 1961."

As we have indicated in reports on similar bills introduced in previous Congresses, the polar regions are of great interest to the intelligence community and considerable attention has been given to the problem of how the United States Government should conduct its activities in these areas, particularly Antarctica. However, since these proposals involve issues which are not directly within the purview of this Agency, I feel that specific comment on them by this Agency would not be appropriate.

The Bureau of the Budget has advised that it has no objection to the submission of this report from the standpoint of the Administration's program.

Sincerely,

**SIGNED**

MEMORANDUM FOR: THE DIRECTOR

Attached is a reply to the House Interior and Insular Affairs Committee's request for a report on four identical bills to create the "Richard E. Byrd Antarctic Commission Act of 1961." These bills are the same as those introduced in the 85th and 86th Congresses and our reply is the same as given on the previous bills. This report has been cleared with the Bureau of the Budget.
